

**WE ARE SEEKING TO RECRUIT A FAMILY
LAWYER SPECIALISING IN DIVORCE, FINANCES,
CHILDREN AND COHABITATION.**

We are a highly regarded firm situated in the centre of a busy and expanding Cotswold market town with a strong presence in the local community. We have two partners and eight employees made up of lawyers and a strong admin team and we specialise in conveyancing, family and private client. We also have the support of two part-time solicitors.

As a firm we are led by the desire to find the best solution for all of our clients. This requires a good knowledge of the law and comprehensive research skills (including the use of Practical Law) but creative thinking is also needed and the ability to engage with each of our clients so that we can recognise and establish where they are coming from. In our family department we also need strong negotiation skills so that (when appropriate) we can avoid unnecessary litigated court proceedings.

The role of our admin team is to support our fee-earners (in all manner of ways) and our working environment supports strong liaison across all disciplines. This assists in providing our clients with an integrated service. In addition we have a senior leadership team made up of lawyers from all three departments.

Our firm has a strong focus upon training and career progression and we would encourage our new family lawyer to take advantage of this and to also help with the development of other members of staff.
